A reassessment was completed in 2020. If the market goes up this year another reassessment may be necessary for 2021. I encourage all taxpayers to be pro-active when it comes to property taxation. Find out what is going on in your community. Complaining about taxes does not fix the issues.

Exemption applications and renewals will be accepted after September 1st and are due by MARCH 1, 2021. Use 2019 income.

March 1 POSTMARK Accepted
